SECOND JOINT STATUS REPORT

Plaintiffs Danny R. Teagle and Jesus Salazar, Jr. and Defendant LexisNexis Screening Solutions, Inc. file this Joint Status Report to update the Court on the progress of their settlement negotiations and set an agreed-upon date for submission of preliminary approval papers. The Parties respectfully show the Court the following:

The Parties have in essence completed negotiations of settlements for both the 1681k Notice and FCRA Obsolete Information Classes. (Dkt. No. 55 ¶¶ 42, 44.) After exchanging several versions of a proposed draft settlement agreement—

which provides for all aspects of the class action settlement process, including details of the release of claims, proposed notice program and accompanying processes of objecting and exclusion for Class Members, and distribution of settlement funds—the Parties essentially have a completed agreement in place. The settlement agreement is in near-final form and the Parties expect to present it to their respective clients for signature within the next three business days.

Accordingly, the Parties respectfully request that the Court grant them leave to complete the briefing of the settlement for presentation to the Court for preliminary approval. The Parties' submission will include the settlement agreement and accompanying documents, proposed notice letters for distribution to Class Members, and full evidentiary support for the motion. The Parties hereby commit to filing this briefing on or before March 15, 2013.

Dated: January 31, 2012.

We consent to the relief requested in this Motion:
